As a business owner, it can be difficult to maintain an internal accounting department at peak efficiency. Keeping a watchful eye on your cash flow position, staying in compliance with federal, state, and local regulatory agencies, and providing proper support for your internal financial staff can be a challenge. Hertzbach's **Complete Financial Outsourcing Group** can provide personalized solutions to maximize the efficiency of your company's accounting department.

Hertzbach's CFO Group offers client accounting services to individuals and organizations of all sizes, from start-ups to established businesses. We offer a full range of services to complement and complete your internal accounting and administrative needs. Our solutions range in complexity from augmenting your in-house financial staff to functioning as an interim CFO.

We have the ability to meet your accounting needs either off site or at your location. Our **CFO Group** works with you to determine your accounting needs and specify strategies to improve your current processes.

We develop a unique approach to help you:

Maintain focus on the business

Reduce costs

Properly categorize, record, and balance financial data

Stay in compliance with regulatory agencies

Manage transactional processing

Manage accounts receivable and accounts payable

Process and coordinate payroll

Prepare sales tax returns
